AMENDMENT AND RESPONSE UNDER 37 C.F.R. § 1.114 (RCE)

Sir:

This is in reply to the "final" Office Action (FOA) mailed April 25, 2008, which set July 25, 2008 as the initial deadline for response. This Response is also in reply to the Advisory Action mailed July 25, 2008 which indicated that the Response filed June 25, 2008 (to the FOA mailed April 25, 2008) would not be entered. Therefore, a Petition for a three month extension of time until Saturday, October 25, 2008 is enclosed herewith and this Response is believed to be timely filed. This Response also fulfills the requirements of the accompanying Request for Continued Examination (RCE).

Reconsideration in light of the following is respectfully requested.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks/Arguments begin on page 4 of this paper.
